DETAILED ACTION

1. The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Examiner notes that there are two claims numbered 42. The second instance of claim 42 has been renumbered claim 43 and the subsequent claims have been renumbered appropriately.

Misnumbered claims 42 (second instance) and 43-48 have been renumbered 43-49, respectively. **Conclusion**
